TRANSPORTATION LETTER

Dear Parents,

As you probably know by now, grades 9–12 in the *Mt. Healthy* school district will no longer be eligible for yellow bus service through the district. Paul's Bus Service is a private bus company that may be able to help transporting your student for a monthly fee. We will be providing bus service for grades 9–12 for the 2011-2012 school year, provided that we receive enough registrations to make up a route. Since routing is based on the registrations we receive, it is critical to return this form early if you want our service.

If you are not eligible for *Mt. Healthy* school bus transportation and would like yellow bus service for the 2011-2012 school year, please complete the attached registration form and return it. Returning this form (***with the 1st month's payment and a non-refundable \$12.00 per school registration fee***) as soon as possible can insure your child or children a place on the bus with the best possible pickup and drop off location.

We will provide AM and PM service to Mt. Healthy High School. Every student must be registered with Paul's Bus Service each year to be eligible for a bus. ***Additional students must have the same address to get the discounted rate.*** Failure to register your child(ren) early enough could result in each being placed on a waiting list. Once the buses are full, you will be placed on a waiting list which will be reviewed on a week-to-week basis.

MONTHLY FEE SCHEDULE for 2011-2012

\$80.00 for 1st STUDENT

\$45.00 for SECOND STUDENT

\$40.00 for EACH ADDITIONAL STUDENT

PRICES ARE SUBJECT TO CHANGE DUE TO FUEL PRICES
THERE IS NO SPECIAL RATE FOR ONE (1) WAY SERVICE

Bus passes must be purchased from the driver, by check or money order, **before the 1st of every month.** **No cash please!** If your payment has not been received by the 1st of the month without prior arrangements, ***we reserve the right to cancel your child's transportation and assign the seat to someone else.*** To assure proper credit to your account, **all checks and money orders must have the student(s) name on them, especially when there is more than one child and/or the last names are different.** ***When families have divided and are sharing the responsibility of making monthly payments, please send only one (1) check each month to cover all the riders.*** We do charge \$20.00 for non-sufficient funds checks. All **NSF** checks not made good in 10 days by money order will cause transportation to be discontinued.

We ***will not*** pro-rate payments! You must pay monthly payments regardless of how often your child rides. If your child is involved in sports or other activities and does not ride, you may cancel service for those months. If you do not call the office and cancel, you are still responsible for those monthly payments. If you do cancel, it is your responsibility to call the office to see if room is available on the bus at the time you wish to resume service. If a seat is not available, you will be asked if you'd like to be placed on a waiting list for the next available seat. **You must call the office to cancel service for any reason.** If you do not call, we will assume that you are still using the service even if no one is riding. Therefore, you will be responsible for each payment, even if you are no longer using the service. Because the seat has been reserved for you, no refunds (partial or full) will be given once the month has started.

If you have any trouble with our service, please don't hesitate to call the office. We ask that you please **do not** confront the driver. They are there to transport your children safely and do not need any additional distractions.

WEATHER CONDITIONS – Please watch your local news for weather delays or cancellations. If there is a 2 hr. school delay due to the weather, buses will run 2 hrs. later than normal. On early release days, Paul's Bus Service will provide service for students who are on early release at the scheduled release time, **or as early as possible.**

Route information and payment envelopes will be mailed to you the week before school begins. Thanks!
